

Prosonic M FMU40

52010286

Ultrasonic, Transmitter Compact

Item	Quantity	Product	Prod. time	Unit price	Total price
-	1 ST	FMU40-ARD2A2 (FMU40-ARD2A2) Prosonic M FMU40 52010286 SPK: FJC Level, ultrasonic, contactless. Application: liquids, solids. Sensor: PVDF, seal: EPDM. Measuring range: 5m/16ft (liquid), 2m/6ft (solid). Blocking distance: 25cm/0.8ft. Incl. Setup-/diagnostic software. :: High availability: Self cleaning effect of sensor membrane. :: Application safety: independent of dielectricity/density. Approval: A Non-hazardous area Process Connection: R Thread ISO228 G1-1/2B, PVDF Power Supply; Output D 2-wire; PROFIBUS PA Operation: 2 4-line display VU331, Envelope curve display on site Housing: A F12 Alu, coated, IP68 NEMA6P Cable Entry: 2 Gland M20 (EEx d > thread M20) >>>Marking:	On request	On request	On request
