TBC7-30-10-51

Products + Low Voltage Products and Systems + Control Products + Contactors + Mini Contactors

General Information	
Extended Product Type:	TBC7-30-10-51
Product ID:	GJL1313061R5101
EAN:	4013614224713
Catalog Description:	TBC7-30-10-51 Mini Contactor 17-32VDC
Long Description:	The TBC7-30-10 mini contactor is a compact 3 pole contactor with 1 auxilia ry contact and screw terminals. They are ideally suited for applications whe re reliability is a must and space is at a premium. Mini contactors are used in residential buldings, commercial buildings and industrial applications for the control of single or three-phase loads up to 5.5 kW (AC-3) and 20 A / 6 90 V (AC-1) or switching of control signals. Further features are the noisele ss and hum-free coil, a switch position indication and the integrated possibi lity for rail or wall mounting.
