GREEN Flag Notice

Time to Product Change: Effective Now

Note: The green flag notification indicates an **insignificant** change in form, fit, or function of an offer.

Product Name(s): GV7AC08

Customer Support No. 1(888)778-2733

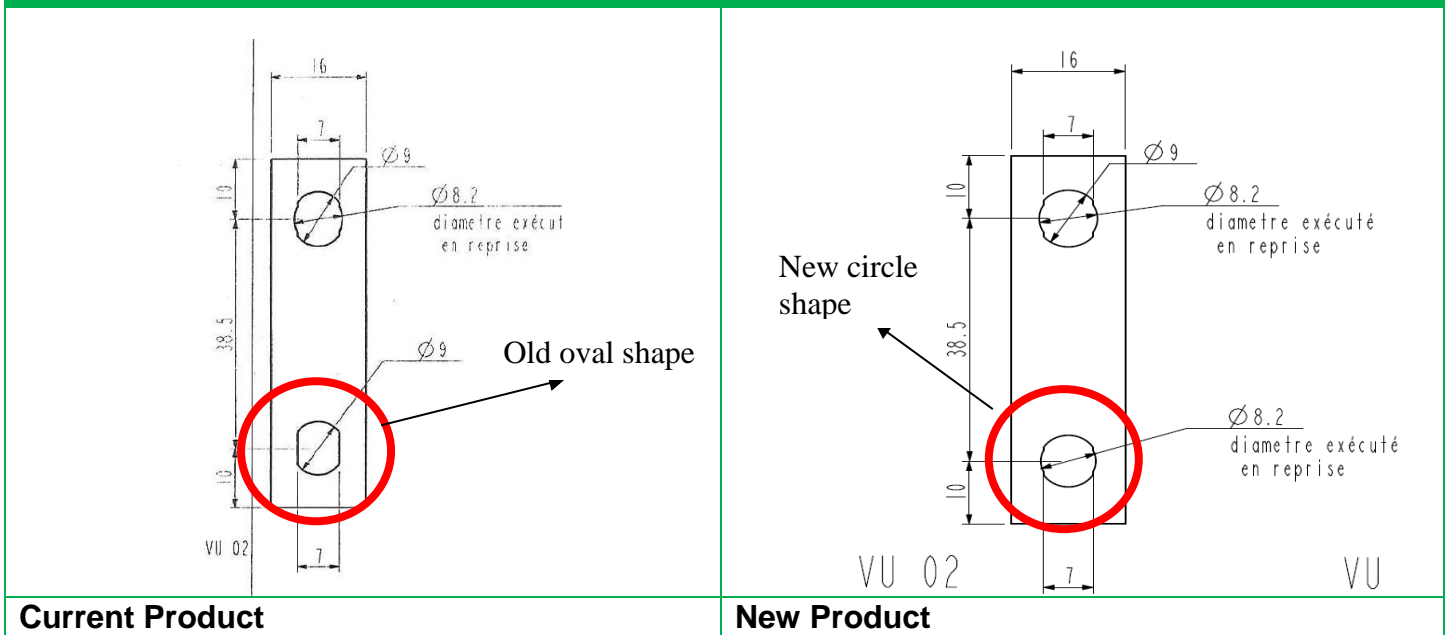

Product Line Description: GV7 Motor Breakers

Document Issued: 1/15/2019

Description of Change:

The hole shape and diameter in GV7AC08, which is the connecting link between GV7 breaker and LC1D115/150 contactor, has changed shape. Previously, the top hole in the GV7AC08 connecting link was circular and the bottom hole was oval shape, making it difficult for the customer to fit a $\phi 8$ mm fixing bolt in the oval hole. Now, the bottom hole is in a circular shape so both holes shall be circular with $\phi 8.2$ mm diameter.
