## SIEMENS

## Data sheet

## 3NW1050-0HG

SENTRON, cylindrical fuse link, Class CC, 5 A, time-lag, Un AC: 600 V, respect national installation rules! for protection of control transformers, reactors and selenoids

| Model                                    |          |                          |                           |          |
|--|----------|--------------------------|---------------------------|----------|
| product brand name                       |          | SENTRON                  |                           |          |
| product designation                      |          | Cylindrical fuse link    |                           |          |
| General technical data                   |          |                          |                           |          |
| operating class of the fuse link         |          | Slow                     |                           |          |
| size of the fuse link                    |          | Class CC                 |                           |          |
| type of voltage of the operating voltage |          | AC                       |                           |          |
| operating voltage at AC rated value      |          | 600 V                    |                           |          |
| Main circuit                             |          |                          |                           |          |
| operational current rated value          |          | 5 A                      |                           |          |
| Product details                          |          |                          |                           |          |
| product component striker                |          | No                       |                           |          |
| Mechanical Design                        |          |                          |                           |          |
| mounting position                        |          | Any, preferably vertical |                           |          |
| net weight                               |          | 8 g                      |                           |          |
| General Product Approval                 |          |                          | Declaration of Conformity |          |
| Confirmation                             | (ال<br>س | EHC                      | CE<br>EG-Konf.            | UK<br>CA |
| other                                    |          |                          |                           |          |

**Miscellaneous** 

**Confirmation** 

 Further information

 Siemens has decided to exit the Russian market (see here). https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business

 Siemens is working on the renewal of the current EAC certificates.

 Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
