

Fraunhofer

TESTED[®] DEVICE

Elan Schaltelemente
N-control devices
Report No. EL 1112-582

Qualification Certificate

This is to certify that the product mentioned above, provided by

Elan Schaltelemente GmbH & Co. KG
Wettenberg, Germany

has been awarded a Fraunhofer certificate TESTED DEVICE bearing the report number EL 1112-582.

The N-control device series is suitable for use in cleanrooms fulfilling the Air Cleanliness Class 1 according to ISO 14644-1.

It is principally recommended for use in hygienic areas up to GMP Class C. However, this only applies for the assessed operating utilities in a resting state and the recommendation needs to be reconsidered once the devices have been installed into a production line.

Detailed information and parameters of the test environment can be found in the Fraunhofer IPA test report.

Stuttgart, February 1, 2012

i.A. 
Project manager

DUPLICATE

The validity of this certificate applies only to the mentioned product in this particular condition for a duration of 5 years.
